

## **Environmental Sustainability Programs**

**Goal:** To meet current societal needs without jeopardizing future generations' ability to meet their own.

**Context:** Margherita College strives to instil in its students a sense of responsibility for protecting a healthy environment.

### **Practice:**

1. On 29/09/2021, Margherita College of NSS Unit hosted the “Kachra Alag Karo” program as part of the “Azadi Ka Amrit Mahotsav”.
2. The NSS Unit and ECO Club in association of Margherita College Students Union (MCSU) of organised Cleanliness Drives on January 5th and 25th, 2022.
3. On 26/01/2022, the Eco Club and MCSU of Margherita College conducted a Plantation Drive.

**Evidence of Success:** Students participate in cleanliness drives on campus and in the college's surrounding areas and being aware about environment.

## **Improving Teaching – Learning**

### **Goal**

- Ensuring completion of syllabus according to the academic planner.
- Encourage the teachers to adapt ICT.

### **Context**

- The present teaching environment expects teachers to use a variety of technology-based tools.

### **Practice**

- Frequent assignments, tests, and evaluations are conducted.
- Some departments have the necessary tools for handling classroom teaching with ICT.

### **Evidence of Success**

- Many faculties adopted modern pedagogic styles and ICT in their classes.
- Notes are uploaded on the college website.
